PROCHY 'EM

SEE YOU ON THE DANCEFLOOR.

WWW.PROCHY-EM.CZ

OVER TEN YEARS BEHIND THE DECKS.

Prochy 'EM is a multi-genre and support DJ based in Kolín, Czech Republic. He started out in music bars and halls where people dance on tables – today he brings the same energy to clubs across the country, from Kolín and Prague to Hradec Králové and Liberec.

He doesn't play a pre-planned set – he reads the floor. Dance, house, hip-hop, R&B, oldies, drum & bass and techno: whatever the floor wants in that moment, it gets, while the night holds together as one story.

As a support DJ he warms up the floor before the headliner and keeps it going after – he has opened for acts such as Real2Real ft. The Mad Stuntman, Sizwe, NFIX & Candice and DJ Richard Reynolds. He is a line-up regular at IBIZA Evolution and Project X parties and has played O2 Universum in Prague.
